[71]

The first part of the book is devoted to a description of the
 various species of plants which are found in the
 country. The author has been very particular in
 his descriptions, and has given many interesting
 particulars of their habits and uses.

The second part of the book is devoted to a description of the
 various species of animals which are found in the
 country. The author has been very particular in
 his descriptions, and has given many interesting
 particulars of their habits and uses.
